

Spelling and Sight Word Activity Chart
TRIMESTER I

Day 1	Spelling Word Sort Sort your spelling words and glue them down in your journal. Explain to an adult why you sorted them the way you did.
Day 2	Silly Sight Words First, read each word. Then, <i>write each sight word</i> with <i>silly</i> letters or fun colors in your homework journal. Make them as silly as possible! When you're done, <i>read your fluency phrases</i> to an adult.
Day 3	Spelling Word Hunt Look through a book or use your memory to come up with other words that have the same sorting rule. Add them to your list from day 1.
Day 4	Test Me Ask an adult to test you on your spelling words in your journal and sight words/fluency phrases out loud. See how well you do!
